Plaintiff's Motion For Entry Of Default Against All Named Defendants.

(Rule 55 Of The FRCP)

Comes now the Plaintiff, William M. Tyree, <u>Pro se</u>, who moves this United States District Court, (USDC), to enter default against all named Defendants, U.S. Army, Paul Mason, and Joseph Burzenski. As grounds to allow this Motion and enter default prior to issuing the stay of proceedings pending decision on the Mandamus in the U.S. Court of Appeals for the First Circuit, the Plaintiff would offer the attached affidavit.

Respectfully submitted,

William M. Tyree

Affidavit Of William M.
Tyree In support Of The
Plaintiff's Motion For
Entry Of Default Prior
To The Stay Of Proceedings.

I, William M. Tyree, on oath state:

- 1. That, I am the named plaintiff in the above captioned case.
- 2. That, this action was docketed in the United States District Court, (USDC), C.A. 04-11430-RCL, in July 2004.
- 3. That, between July 2004, and December 13, 2004, the Office of the U.S. Attorney, (AUSA Michael P. Sady), did file and did receive two enlargements of time from the USDC.
- 4. That, on December 13, 2004, the USDC entered the attached Order directing Reservice of all defendants with one sided pleadings (no two sided copies).
- 5. That, on December 30, 2004, AUSA Sady notified the USDC by letter with a copy to the Plaintiff that he would not file

Aff'd Of William M. Tyree
Motion For Entry Of Default

- any further pleadings in the above entitled case until the Plaintiff complied with the Order of 12/13/04 from the USDC.
- 6. That, copies of U.S. Marshal Form (Form USM 285) attached to this affidavit reflect that reservice of all Defendants have taken place and was effected by serving all Defendants through the U.S. Marshal to AUSA Sady by February 9, 2005.
- 7. That, the Defendants are not:
 - (a). soldiers, sailors:
 - (b). infants nor incompetents.
- 8. That, the Defendants have had since July 2004 to formulate a response of some description and have delayed, stalled, and misused judicial resources through that action. There is currently in the U.S. Court of Appeals for the First Circuit, several motions pending seeking sanctions against the AUSA Sady for delaying judicial review of the matters related to the Mandamus due to his delays and stalling tactics. The proper course is for the USDC to enter default at this time and put the AUSA Sady on notice prior to entering the stay of proceedings in this case, (pending review of the Mandamus in the U.S. Court of Appeals), that once the stay of proceedings is vacated in the future. The USDC will expect an immediate response to the Amended Complaint in this case which had to be reserved per USDC oRder 12/13/04.

Page three Aff'd Of William M. Tyree Motion For Entry Of Default

9. That, based on the contents of this affidavit the entry of default is not only warranted, but long over due. By allowing the AUSA (Sady) to not respond to the Amended Complaint, it raises the appearance of impropriety: it looks like the USDC is cattering to the whims of the Office of the U.S. Attorney and allowing that office unlimited time to do as it pleases in this case.

Signed under the pains and penalties of perjury on this date,

February 21, 2005

Docket Text:

Judge Reginald C. Lindsay: electronic ORDER entered denying [2] Plaintiff's MOTION for the United States Marshal to Make Service on the Defendant CID Agent Joseph Burzenski, U.S. Army, (Retired), or in the Alternative, Order that Service of the Summons and Related Amended Complaint May be Made on the U.S. Attorney for the State of Massachusetts. To the extent that this is a motion seeking to have the Marshal's Service serve the complaint without fee, the motion is denied because the plaintiff is not proceeding in forma pauperis. The plaintiff may contact the Marshal's Service directly, pay the required fee, and have service made, or the plaintiff may seek leave to have a constable serve the papers. The court denies [6] Plaintiff's MOTION to File Two Sided Copies of Pleadings with the United States District Court in this case. Such filings may impede the scanning of the plaintiff's filings. The court denies without prejudice [7] Plaintiff's MOTION for the United States District Court Magistrate Judge to Adopt the Plaintiff's Proposed Finding of Fact and Conclusion of Law in the Plaintiff's Amended Complaint Supported by Exhibits 1-7, and Supplemental Pleadings. This motion is premature. The court denies [8] Plaintiff's MOTION to Effect Service of Amended Complaint with Exhibits 1-7 in Support and Supplemental Pleadings Served on United States District Court by Mailing Same to the Named Defendants VIA Certified U.S. Mail Return Receipt Requested. Service must be made in accordance with the Federal Rules of Civil Procedure and the court's Local Rules. (Lindsay, Reginald)
